## California Friendly Landscape Gardening for the Water Wise Gardener

**Myth # 1:** To have a stunning landscape area you have to water extensively. Absolutely not! This workshop will show you how to significantly decrease landscape water use and still have a beautiful yard. Participants will learn the use of soils and fertilizers, landscape design basics, California Friendly plants, irrigation system scheduling, drip systems, watering schedules and maintenance guidelines.

**Date:** September 18, 2010

**Time:** 9:00am—1:00pm

Rancho California Water District  
Board Room  
42135 Winchester Road  
Temecula, CA

To register please contact Karen Wright at (951) 296-6900 or at [wrightk@ranchowater.com](mailto:wrightk@ranchowater.com). Each workshop is limited to 70 people.
